

GUIDING POSITIVE AND LASTING CHANGE

ANNUAL REPORT 2018

WaymakersOC.org

IN 2017 THE AGENCY CELEBRATED ITS
45TH ANNIVERSARY BY ADOPTING A
NAME FITTING ITS PURPOSE, PROMISE
AND POTENTIAL: **WAYMAKERS.**

**WAYMAKERS
HELPS INDIVIDUALS
EXPERIENCING
CONFLICT AND CRISIS
MAKE THEIR WAY TO A
PLACE OF STRENGTH
OF STABILITY.**

DEAR FRIENDS,

Helping a young woman who felt that there was no point in living find hope for the future.

Securing safe housing for a mother and child who were abused by someone who was supposed to love and care for them.

Supporting a young man who society had deemed to be “trouble” on his journey to make more positive choices for his future.

This is the work of Waymakers.

In 1972, seeds for the organization were planted in a desire to provide guidance and counseling for kids who were acting out. Three UCI interns were assigned to work alongside law enforcement to counsel the identified youth. This was a new concept, and not one immediately embraced by line officers, but over time the interns proved their worth as the officers saw lasting change in the kids. These efforts ultimately led to the creation of a new non-profit serving at-risk youth in Orange County: the organization now known as Waymakers.

Today, Waymakers shelters children, supports crime victims, counsels families, resolves conflicts and educates communities. Through these programs we help individuals such as youth veering toward the justice system, families ripped apart by conflict, and survivors of violent crime make their way past conflict and crisis to a place of strength and stability. The agency which began through the efforts of volunteer interns now reaches more than 120,000 individuals annually.

As we celebrate our **45TH Anniversary**, we acknowledge that Waymakers is, and always has been, built through the efforts of amazing individuals who act with empathy to alleviate suffering and make a positive impact throughout Orange County. Each of you has been a Waymaker for us and more importantly the individuals we serve. The contributions of each donor, board member, employee, volunteer, and community partner has enhanced our ability to provide exceptional and comprehensive services for those who turn to us in time of great need. We couldn't do any of this work without your support.

Thank you from the bottom of our hearts!

The impact of Waymakers and *what they have done for the most vulnerable population is beyond words.* What they do for my kids and my families has made an impact which will be life lasting. I can't imagine doing the work without them. Waymakers impacts the trajectory of every human being they serve.

-JUDGE MARIA HERNANDEZ

PROVIDING A SAFE HAVEN FOR YOUTH

Growing up is challenging in the best of circumstances and overwhelming when situations are adverse. That's why Waymakers Youth Shelters are much more than just a place to stay. With an emphasis on resolving the crisis and providing long-term stability, Waymakers works with families and leverages community resources to create healthier situations at home. Waymakers Youth Shelters have touched more than **13,457** family members and served more than **5,317** at-risk Orange County youth since opening in 1979.

Children who choose to participate in the program offered by Waymakers Youth Shelters are provided a safe haven in home-like settings where, in addition to basic needs, they are provided counseling, academic tutoring, prevention education, and life skills and development activities. Working to strengthen the entire family, Waymakers provides a path to thoughtful communication between child and parent resulting in successful reunification.

Waymakers has *provided a safe place for me to break away from reality's hardships and the challenges it throws at me.* Because I came here, it helped me be a better person. This place is peaceful, it's very positive and it's so happy and safe.

-MARTHA

1,449 YOUTH AND FAMILY MEMBERS SERVED

94% OF YOUTH SUCCESSFULLY REUNIFIED WITH THEIR FAMILIES

Waymakers Youth Shelters are housed in unique settings; a Laguna Beach bungalow, a garden setting in Huntington Beach, and a former orange grove estate in Tustin. The beauty and peace that encompass these supportive home-like settings help the healing process and allows the youth to **feel safe, both physically and psychologically.**

Services are provided utilizing a holistic and trauma-informed approach where the youth, and their family members, are recognized as integral members of a team helping to determine a positive resolution to the challenges they face.

Waymakers is a first rate Victim Services agency well rooted in Orange County. **Waymakers is comprised of top-notch, caring professionals who advocate each and every day on behalf of victims and victim rights.** Their knowledge and expertise in providing wraparound services is unparalleled.

-IRVINE POLICE CHIEF MIKE HAMEL

ASSISTING CRIME VICTIMS ON THEIR PATH TO RECOVERY

Imagine the devastation experienced by crime victims who have lost loved ones to homicide, been abused by domestic violence or sexual assault, or hurt by random attackers. Waymakers victim services alleviates the trauma and devastating effects on the lives of those touched by crime.

Victims of crime have support from advocates who walk alongside them during their crisis and determine the means to address their concerns. Waymakers provides a steady hand to victims during criminal justice proceedings and assures that they have a voice in the trial process. Staff and volunteer advocates provide 24/7 response to victims of sexual assault, gang violence, human trafficking, and mass violence. Additionally, support groups, life skills training, and self-defense training are available for our clients.

OVER **500** VICTIMS WERE PROVIDED WITH EMERGENCY ASSISTANCE; NEARLY 40% OF WHOM REQUIRED ASSISTANCE WITH SECURING SAFE HOUSING.

Waymakers provided comprehensive services to Orange County's youngest human trafficking victim. Some of the services provided were **accompaniment and direct support** as the resilient teen testified during a lengthy trial. Waymakers is inspired by her, and her role in bringing the defendant to justice, who was sentenced to 23 years to life in state prison and mandatory lifetime sex offender registry.

COUNSELING AND SUPPORTING CHILDREN AND FAMILIES AT THEIR TIME OF GREATEST NEED

“Whatever it takes” is the Waymakers approach when helping struggling youth address basic survival needs and concerns involving mental health, housing, education and employment. We partner with youth and their families as they build capacity in communication, coping, and decision making. These skills enable them to increase their ability to succeed as families and within their community.

Children who are at risk of gang involvement participate in prevention programs that address behavioral issues, encourage reduction of truancy, and provide opportunities to participate in activities that promote positive social interaction and fun.

“

Without the professional training and support I received from Waymakers' Youthful Offender Wraparound (YOW) program, I would have never been able to get a job or build the confidence I have today. They helped me update my resume, practice my interview skills and present myself professionally.

-CLIENT

“

With Waymakers, you see the results when you see **families and youth empowered** to make the differences within their life to get out of the criminal justice system.

**-STEVEN J. SENTMAN,
CHIEF PROBATION
OFFICER**

Waymakers **forged relationships** with mentors from Blizzard Entertainment, Ford Motor Co, Los Angeles Angels and Ocean Institute as well as professional cosmetologists and emergency first responders to provide motivational opportunities for youth.

At Waymakers, dispute resolution mediators represent a cross section of **people, diverse in culture, profession and background.**

GUIDING A PROCESS OF RESOLUTION

Community members in conflict and juveniles exhibiting delinquent or disruptive behaviors benefit from Waymakers' voluntary process of conflict resolution. As an alternative to small claims court, trained staff and volunteer mediators guide a structured model of conflict resolution which generally leads to a mutually satisfactory agreement. Youth are taught conflict resolution skills to improve communication and reduce the risk of them being a danger to themselves or others.

EQUIPPING COMMUNITIES TO MAKE HEALTHY CHOICES

Knowledge is a powerful tool that empowers growth. Waymakers' vision of a community where individuals reach their highest potential, foster change, and have a positive impact can only be fulfilled through the sharing and acquiring of knowledge. Waymakers has experts in fields related to crime prevention, problems associated with alcohol, tobacco, and other drugs, conflict resolution, and resources available to address problems. These experts share knowledge through presentations, technical assistance, and media campaigns working with a diverse network of community partners including businesses, schools, colleges, healthcare sites, faith groups, local government, and community based organizations.

Waymakers also equips individuals to provide service to the Orange County community through extended trainings which prepare participants to be sexual assault victim counselors, anti-human trafficking volunteers, and mediators.

GENEROSITY TRANSFORMS OUR COMMUNITY

Swing For Kids Golf Tournament

Our 35th annual golf tournament saw 144 golfers hit the links. Presented by John Jory Corp. at the beautiful Oak Creek Golf Course in Irvine, we raised **\$87,000** to benefit Waymakers programs.

Love Grows by Giving

More than 500 wine lovers and humanitarians turned out for our annual Love Grows by Giving wine tasting, raising **\$127,000**. Held at the Hyatt Regency Huntington Beach Resort and Spa in February, the fundraiser featured an evening of unique wine tastings and food pairings, wine education, beer and vodka samplings, live music and more. Thanks to the generosity of those attending Waymakers provides children in need with valuable resources and a safe place to call home.

Victims Rights Conference and Awards Luncheon

Waymakers hosted the 14th annual Victims' Rights Conference "Expand the Circle. Reach All Victims." on Thursday, April 19 at the Embassy Suites in Garden Grove. **More than 200** law enforcement officers, therapists, nonprofit staff, service providers, victims and community members received valuable training through cutting-edge educational tracks, while honoring local heroes who work tirelessly to advocate for victims' rights throughout Orange County.

Luncheon Guild Members "Chew for Charity"

Forty extraordinary women come together each month to "Chew for Charity." This philanthropic group raises over **\$10,000** each year to support Waymakers programs helping individuals experiencing conflict and crisis make their way to a place of strength and stability.

Light a Light of Love

The community came together to Light a Light of Love in December for a cheerful holiday celebration in downtown Huntington Beach. Bright snowflakes adorned Main Street and the Pier in an annual event that raised **\$130,000** to provide a safe-haven for homeless youth.
