# Calling all Pumpkin Decorators!

The **Waymakers' Barn Bash** committee are looking for creative individuals to donate a decorated pumpkin for our auction. Your donation will help make this an unforgettable fall event!

Allow me to introduce you to the "**Barn Bash**," a family-friendly community event we are hosting at Strawberry Farms on **September 30th**. This exciting affair is brand new to our organization, and we couldn't be more thrilled about it. The Barn Bash is set to embrace the spirit of fall with a delightful array of activities for both kids and adults, including live music, engaging games, and various community booths featuring the local police departments and **Waymakers** different departments, showcasing our impactful programs.

To add to the excitement, there will be delicious food, face painting, a caricature artist, a spirit toss, and of course a pumpkin auction featuring your exquisitely crafted artificial pumpkins.

As a pumpkin donor you will be supporting **Waymakers**, a local nonprofit in Orange County. Please review the attached frequently asked questions, and submit your agreement form to confirm your participation!

For questions and coordination of pumpkin decoration and drop-off logistics, please contact **Heather Stoerck**.
